

Health Fair Lab Draw Checklist

- ✓ 12 hour fasting recommended, but **please drink water**.
 - ✓ Takes medications as usual.
 - ✓ **Please discontinue taking any vitamins containing BIOTIN three days prior to testing.**
 - ✓ **No** insurance claims will be filed.
 - ✓ A copy of test results will be mailed to the patient and sent to any providers indicated on the requisition.
 - ✓ Masking is required and patients will be screened for symptoms when they come for their blood draw.
 - ✓ Please call if you are not able to come in at your designated appointment time.
 - ✓ Please try to be on time for your appointment but not too early. Due to Covid we are trying to keep the number of people in the facility low enough that social distancing is possible.
- If applicable**
- ✓ Payment must be made prior to appointment date, otherwise you may lose your spot and be unable to participate depending on availability.
