

# COMPLETING THE CAMPUS

MAKE AN IMPACT

# THE VISION

## CLINIC EXPANSION

All three clinics will expand, offering more exam rooms and offices for providers and support staff (Fillmore County Medical Clinic, Touchstone Orthopaedics, and the FCH Specialty Clinic)

## NEW PHARMACY

The original pharmacy footprint will not support regulatory changes as well as the growth that has taken place at FCH

## PRE AND POST-OP SURGERY

A new dedicated space will be created for the care of surgical patients both before and after surgical procedures

## COVID-19 AND INFECTION PREVENTION

With modifications to the HVAC system, three more negative pressure rooms will be created on the medical floor (bringing the total to four) as well as one exam room in the Medical Clinic

## NEW CONFERENCE CENTER

A new meeting room space will be constructed so that FCH can adequately support and host meetings, events, and educational opportunities for staff

## NEW OFFICE SPACE

To support growing non-clinical departments such as Medical Records, Billing, and Case Management

## NEW BOILER

Small addition off maintenance to support the new additional square footage

## KEY REMODELED AREAS

Radiology consult rooms, procedure/operating room, surgery waiting area, nursing management offices, sleep room, and Board Room in Administration

# THE NEED

## OUR GROWTH

The need for expansion stems from growth – growth in the numbers of services offered as well as number of employees. The expansion and remodel will hit a number of vital needs. Since the new hospital has been built, we have expanded exponentially:

	2012	2022	% Growth
Total Employees	122	196	61%
Touchstone Patients	0	128	Did not exist in 2012
Total Surgeries	353	681	93%
Specialty Clinic/Outpatients	5,758	6,949	21%
Emergency Room Patients	1,329	1,874	41%
Lab Patients	33,024	43,760	33%
Radiology Patients	4,556	7,813	71%

Serving our patients at Fillmore County Hospital (FCH) is an honor and we take pride in how we do it at FCH. That is a huge part of our story and why we are in this position today. I welcome you to join our Completing the Campus campaign. Every donation, big or small, makes an impact. In doing so, you are ensuring that the legacy of FCH lives on for future generations. Our hospital will be here when we are all gone, impacting the health and wellness of our friends and relatives. That is a powerful thought and speaks to why many of us who work here do what we do. Thank you for supporting FCH both now and in the future.

*Chris Nicholas*
